

DEAR BUSINESS PARTNERS,

We would like to inform you that, as a temporary measure, **the minimum order quantity (MOQ) for new clients has been set at 1,000 units.**

This change enables us to maintain efficient production while continuing to deliver the premium quality and reliable service GreenPharm is known for.

If you have any questions or would like to discuss your next project, our Sales Team is here to assist you.

Thank you very much for your kind understanding and trust in our products.

Martin Guniš
